DIME NOVEL ROUND-UP

A COMPLETE

INDEX - DIGEST

Of The

DIME NOVEL ROUND-UP

Covering Numbers 1 to 159

Compiled by

GEORGE T. FLAUM

Boston, Mass.

Price Twenty-Five Cents

Published by

RALPH F. CUMMINGS

Box 75, Fisherville, Mass.

(Editor and Publisher of The Dime Novel Roundup)

HOW TO USE THIS INDEX

In preparing and editing this Index-Digest of the contents of the 159 issues of the Dime Novel Roundup and the special birthday number of 1938, approximately thirteen hundred pages of printed-matter were carefully examined by the compiler. All headings of feature articles, poetry, references to authors, publishers, cover-artists, editors, etc., were considered worthy of inclusion. Many of the references were literally lifted from the printed columns and this valuable and heretofore lost information is now made available to the reader.

The searcher who is interested in Nick Carter need only to scan the section devoted to the letter C, for Nick Carter is indexed under the surname of Carter. There he will find fifteen listings pertaining to the celebrated detective and more than twenty-five references to pertinent information. A further search under the title of authors, publishers, etc., may uncover additional references. For obvious reasons such titles as Deadwood Dick, Buffalo Bill, etc., are indexed under their first names.

A reference to 106-1 indicates that there is a feature article in issue 106 on page 1. The letters LC and RC are frequently used to direct the searcher's attention to the left or right column of type-matter on the designated page. Thus a reference to 15-3-RC opposite the listing Buntline indicates that in the fifteenth issue on page three in the right-hand column reference is made to this author.

An asterisk is usually used in referring to the earlier single-column issues where it is impossible to indicate a particular column of type. It is also sometimes used where the subject-matter is located quite prominently on the designated page. References to the special birthday number of 1938 are indicated by the use of the letters SBN.

Every effort has been made by the compiler to create an Index-Digest which will meet with the approval of all the readers of the Dime Novel Roundup and it is hoped that it will afford them with a quick, ready and accurate reference instrument to the valuable information pertaining to the collection of dime novels found within its pages. It was with this thought primarily in mind that the painstaking task of creating this Index-Digest of the Dime Novel Roundup was undertaken by the writer.

FOR SALE

Rare old time American Libraries that have been reproduced, and look just like the originals in every way. As a fellow says, if you can't get the original, get next door to it. They are:

- #1. Beadle's Half Dime Library #1. Deadwood Dick, Prince of the Road, by Edward L. Wheeler.
- #2. Morrisons Sensational Series #46. Frank James on the Trail. No authors name listed.
- #3. Boys Star Library #344. Jack Wright and His Electric Stage; or, Leagued Against the James Boys. By Nname.
- #4. Wide Awake Library #553. Frank Reade and His Steam Horse. By Nname.
- #5. Wide Awake Library #451. The True Life of Billy the Kid.
- #6. Nugget Library #134. Tom Edison Jr.'s Electric Sea Spider (A close second to the Frank Reade and Jack Wright stories of inventions.)

Price \$1.00 each

Ralph F. Cummings

Fisherville, Mass.
